Dear Principal,

We are delighted to inform you that your school has been nominated as a DCU Changemaker School.

DCU Changemaker Schools are schools that have been selected to work with the DCU Institute of Education to reimagine, co create and lead transformation in education in Ireland by developing, amplifying and sharing the skills of empathy, creativity, leadership and teamwork.

We are selecting 5 schools this year and hope you would like to participate.

The DCU Changemaker Schools are part of the DCU Changemaker Schools Network and are linked as a professional learning community to the Institute of Education at DCU. You were nominated as a DCU Changemaker School as your school has been innovative in your activities and transformative in your culture. Your school also develops the leadership skills of staff and students, has a student voice at the heart of all you do and is committed to creating systemic change in education.
